LOAN AND SECURITY AGREEMENT

1. **DEFINITIONS.** Wherever used in this Closed End Note, Disclosure, Loan and Security Agreement, the words "you," "your" and "yours" mean each person who signs this Note; the words "Credit Union," and "Lender" mean Miami Postal Service Credit Union; and the word "Holder" means the Credit Union or the assignee of this note or agreement.
2. **INTEREST.** You will pay interest on the unpaid principal from the date of this Agreement until the entire amount of principal has been paid. You will pay interest at the rate shown as the Annual Percentage Rate on the Truth in Lending Disclosure. You will pay the interest rate required by this Section both before and after any default. You may prepay the principal amount you owe in whole or in part at any time without the imposition of any prepayment penalty. If you make a partial prepayment, that will not change the due date or amount of any monthly payment, unless the Holder agrees in writing to a change in payments.
3. **SECURITY AGREEMENT.** The payment of this Note shall be secured by all of your credit union accounts, shares, deposits and certificates (excluding Individual Retirement Accounts) you now have or hereafter may have including all accounts you have a right to withdraw from or an ownership interest in. You are giving this interest to secure repayment of your loan as well as any other amounts you now owe or will owe the Credit Union, except that security interests in any of your principal places of dwelling or household goods will only secure the Loan or advance for which those security interests were given. You are giving the Credit Union a security interest in all present and futures shares in any account you have with the Credit Union or in which you have an interest. You authorize the Credit Union to take those funds, shares or certificates and apply it to your debt if you are in default. The Credit Union may, solely at its option, allow you to withdraw a portion of your shares without affecting its security interest. Withdrawals may not be allowed if it will reduce the amount of your shares in the Credit Union below the amount of your debt. You are not giving a security interest in an IRA, SEP, KEOGH, or any other account which, if pledged, would result in the loss of special tax treatment under the Internal Revenue Code. There is a waiver of exemption as to property subject to a security interest executed in connection with this obligation, which property is described above.
4. **DEFAULT.** You will be in default if you violate any of the promises or conditions set out in this Promissory Note, Disclosure, Loan and Security Agreement, or if you violate any other agreement with Credit Union or if any change occurs which the Credit Union reasonably believes endangers the collateral or endangers your ability to repay this loan. Default includes, but is not limited to, the following: (1) you fail to make any payment when it is due; (2) you break any promise, covenant, or agreement you have made to the credit union under this agreement, or in any other agreement you have with the credit union now or in the future; (3) any statement (oral or written) you make under this agreement in connection with the agreement or in connection with any other agreement you have with the credit union is not true; (4) you or any guarantor dies, becomes insolvent, files a petition for relief under any chapter of the Bankruptcy Code or for any reason is unable to pay their debts when due; (5) you, regardless of reason, discontinue, dissolve or otherwise leave your usual business activity or employment; (6) a judgment is entered against you or against any guarantor in any court; (7) you are in default under the provisions of any security agreement given to the credit union; or (8) anything else happens which gives the credit union any reason to believe that your ability or willingness to pay the credit union is impaired or that any other loan account with the credit union is not adequately secured.
5. **ACCELERATION.** In the event of any default of any obligation owed to Credit Union by Borrower, if any, or if there should be such a change in the affairs (financial or otherwise) of any party liable under this Note, which in the opinion of the Holder would increase the risk or render the debt insecure, the whole of the debt evidenced by this Note, or any balance remaining unpaid thereon, together with any and all accrued interest may, at the option of the Holder, without notice of such acceleration to any party to this Note, become at once due and payable, and a failure of the Holder to so declare such indebtedness to be due shall not constitute a waiver of the right to later declare the entire indebtedness to be at once due and payable.
6. **WAIVERS.** You and any other person who has obligations under this Note waive presentment, protest, notice of protest, notice of dishonor, demand and all legal diligence in enforcing the collection of this Note and hereby expressly agree that the Holder may defer or postpone collection of the whole or any part of this Note, either principal and/or interest, or may extend or renew the whole or any part thereof. Any change in or modification of any of the terms of this Note must be in writing and signed by us.
7. **ATTORNEY'S FEES.** In the event of default, you agree to pay all costs of collecting the amount you owe under this agreement including, reasonable attorney's fees.
8. **GIVING OF NOTICES.** Unless applicable law requires a different method, any notice that must be given to you under this Note will be given by delivering or mailing it by first class mail addressed to you at the address stated above or such other address as you may designate by notice to the Holder. Any notice that must be given to the Holder under this Note shall be given by mailing such notice by first class mail to the address of the Holder as stated above or to such other address as may have been designated by notice to you.
9. **GOVERNING LAW.** The validity, interpretation, construction, affect and in all other respects by the laws and decisions of the State of Florida.

ACKNOWLEDGEMENTS. You acknowledge receipt of a copy of this Promissory Note, Truth-in-Lending Disclosure, Loan and Security Agreement. You agree to all of the terms stated in this this Promissory Note, Disclosure, Loan and Security Agreement. You agree that all of the terms apply to you jointly and severally. By signing below, you agree to make payments of the amount and at the time shown in the payment schedule above.
